The Alaka Phase	47
The Koriabo Phase	52
The Archaeology of Barabina	52
Kabakaburi Mound	54
Piraka Mound	61
Siriki Mound	64
Wyva Creek	71
Warapana	73
Little Kanaballi	74

Waramuri	74
Horticultural Origins in Northwestern Guyana: A 'Re-Characterization' of the Mabaruma Phase	75
Excavations at Hosororo Creek	77
Discussion	79
Summary	83
The Archaeology of the Northeast	85
The Abary Phase	85
Earthen Mounds: Archaeological Evidence of Habitation Mounds and Raised Fields	88
Summary	89
The Central Guyana Rainforest: Archaeology in Iwokrama	91
The Paleo-Indian Period	92
The Archaic Period	93
Lithic Chipping/Manufacturing Station	97
Archaic Sites in the Iwokrama Mountains	97
Horticultural Period	99
Essequibo River	100
The Ceramic Inventory	100
Alexis Marcel's Island	107
Reserve Base Camp (Field Station)	108
Makari Falls	109
David Andries Landing	109
Martin's Island	109
Kurukupari Falls	110
Siparuni River	110
Summary	112
Summary	115

The Archaeology of Southeastern Guyana:	
The Taruma Phase	117
Rock Art of the Kassikaityu: Archaeological Evidence of Fisheries Management?	121
The Wai Wai Archaeological Phase	122
Summary	123
The Archaeology of the Rupununi Savannah	125
The Paleo-Indian Period	125
The Archaic Period	126
The Rock Art of Aishalton	127
Recent Aishalton Investigations	129
The Horticultural Period	131
The Shiriri Mountain Survey	134
Stone Alignments in the Rupununi	134
The Archaeology of Shiriri Mountain Cemetery	136
Archaeological Survey in the Vicinity of Moco-Moco and Sawariwau	139
Archaeological Sites Near Shulinab and Mariwau: Further Evidence of Rupununi Funerary Practices	142
The Archaeology of Toka and Yupukari	145
Investigations in the Vicinity of Shea Mountain	147
Archaeological Survey in the Vicinity of Karanambu	150
The Archaeology of Karasabai and Satellite Villages	151
Summary	154
A Summary of Guyana Prehistory	157
References	164
Index	180
